

Guided Visit Schedules

Please plan to arrive 15 minutes before your first program is scheduled to begin so we can go over museum rules with your whole group. **Guided programs run a full hour per class** (1-30 students). MOHAI can accommodate up to 90 students in the museum at a time and up to 120 students in one day for guided programs. Scavenger Hunts and all program materials will be provided.

The schedules below are designed for schools beginning their first program at 10:00am; please adjust them to match your assigned arrival time. If you need an indoor place to eat lunch, or need to alter your schedule in any way, please notify museum staff ahead of time.
